"Daily Bag Limit" means fish taken from midnight to midnight.

"Possession Limit" means fish in the possession of any person at any time.

Weight in these regulations means undressed weight with head, tail and fins attached.

LENGTH OF FISH: The "Total Length" of a fish shall be used when determining the size limits. Total length shall be found by measuring from the tip of the nose to the tip of the tail.

TOTAL BAG AND POSSESSION LIMIT: No more than 25 game fish of all kinds combined may be taken in any one day, nor more than 25 game fish of all kinds combined be had in possession at any one time, excepting perch. No limit on perch.

RETURNING FISH TO WATER: All fish caught that are under the legal size limits as specified herein, and all fish legally taken that are not to be counted in the bag limit, must be returned immediately to the water with as little injury as possible.

SALE OF FISH: No species of fish may be sold from private fish hatcheries in Nebraska, except trout, for purposes other than propagation, and where sold for propagation, invoices furnished by the Commission must be used and a report made to the Commission covering all sales at the end of each quarter of the year.

TRANSPORTING MINNOWS: It shall be unlawful for any person to transport live minnows in any manner out of the State.

DESTROYING OR DAMAGING STATE PROPERTY: It is unlawful to injure trees or shrubs, to pick flowers or ferns, to mar, deface, or remove any of the natural or structural features in any State-Owned or controlled area.

COMMERCIAL FISHING

Under proper commercial permit issued by the Commission, catfish may be taken from the Missouri River by nets, the meshes of which are not less than one and one-half inches square.

OPEN SEASON: Continuous.

AREA OPEN: Missouri River—South and west of the middle of the Channel and not less than 300 yards in

any direction from the mouth of any stream emptying into the River.

SIZE LIMIT: 13 inches.

POSSESSION LIMIT: None.

ANNUAL REPORT: All persons holding a commercial Seining-Vendor Permit shall keep an accurate record of the number, species and weight of all fish caught and a separate report of all fish sold during the calendar year. A record shall be kept for each month separately. Such records shall be open at all reasonable times to inspection by Commission Agents. Each person shall send this information to the Secretary of the State Game, Forestation and Parks Commission on or before the 15th day of January of the following year. Forms for this purpose shall be furnished by the State. Failure to make such report shall be cause of refusal to issue a new permit.

COMMERCIAL NETS: It shall be illegal for any person holding a Seining-Vendor Permit to use or have in possession wing nets, dip nets, basket traps, gill nets, traps, or any other device than regular hoop nets, trammel nets, seines, or trot lines made of non-metallic cord as provided for by law.

LEGAL NETS, TRAPS, AND OTHER DEVICES:

The possession or use of any and all nets, traps or other devices is illegal with the following exceptions:

1. Commercial nets used in the Missouri River under special provisions of Section 37-502.

2. Minnow nets of non-metallic mesh, one-fourth inch square measure and not over 20 feet long and four feet deep.

3. Minnow dip nets of non-metallic mesh, one-fourth inch square measure and with a throat of not over 12 inches in diameter.

4. Landing nets used only for landing fish caught on hook and line, with a throat of 16 inches or less and non-metallic mesh of not less than one inch square measure, and with a handle of not over four feet in length.

5. Minnow and bait traps with a length not to exceed 24 inches and a diameter of not to exceed 16 inches with an opening in the throat of the trap not larger than one and one-half inches in diameter. All minnow traps shall be raised and minnows removed from them at least every 24 hours.

RESTRICTED AREAS

I. Restricted areas shall be designated on various lakes during the spawning season in which areas fishing is not permitted.

II. Medicine Creek Reservoir, Frontier Co.; Enders Reservoir, Chase Co.; and Swanson Lake, Hitchcock Co. are closed to fishing until further change by the Commission.

III. The main channel of the Nemaha River and the Little Nemaha River and within one mile of the mouth of any of the tributaries running into said rivers in Richardson, Pawnee, Gage, Johnson, Nemaha, Otoe and Lancaster Counties is closed to spearing and to seining for bait at all times. Bait seining, therefore, will be permitted in the tributaries one mile above the mouth of each tributary to the source.

IV. The Cedar River and its tributaries in Holt, Garfield and Wheeler Counties is closed to the seining of bait at all times. Spearing of non-game fish is permitted from April 1, to December 1, only.

V. The Niobrara River in Boyd and Holt Counties lying between the Spencer Power Dam and the State Highway bridge over the Niobrara on State Highway No. 281 is open to fishing but closed to spearing and seining for bait at all times; provided, however, dip nets with an opening of not over 12 inches in diameter and having one-fourth inch mesh only of non-metallic material may be used. Provided also that it is unlawful to take or transport minnows out of Boyd or Holt Counties for commercial purposes.
