Special Limits—In the following state-owned lakes, the daily bag and possession limit on bullhead and carp is 10 fish in combination: Two Rivers Carp Lake, Douglas County; Niobrara Park Lake, Knox County; West Lake No. 3, Louisville, Cass County; Fremont Lake No. 5 and Dead Timber Lake, Dodge County; Schramm Park ponds, Sarpy County; and all other put-and-take lakes stocked by the Game and Parks Commission the bag and possession limit is 10 fish, game or nongame, unless otherwise provided by special regulation. Note: Many cities limit the take to less than 10.

Bag and Possession Limits—Any fish caught that is not to be counted in the bag limit must be immediately released into the water with as little injury as possible, except during snagging season in the Missouri River where any paddlefish caught must be counted in the bag and at Two Rivers Recreation Area Lake No. 5 where every fish caught must be counted in the bag. Any fish placed on a stringer, or in a container, or not returned immediately to the water, must be counted in the bag.

****DAILY BAG**—Fish taken from midnight to midnight.

*****POSSESSION LIMIT**—Fish in a person's portable cooler, home freezer, registered in his name in a commercial cold storage locker, or in any other way under his control.

ENDANGERED SPECIES—Lake Sturgeon. Season closed.

HOOK AND LINE LIMITATIONS—No more than two lines with two hooks on each line are permitted in any lake, pond, or reservoir, or for one-half mile in their inlets, outlets, and canals. In stream and ice fishing no more than 5 hooks on a line or 15 hooks in the aggregate are allowed. One hook means a single, double, or treble-pointed hook. All hooks attached to an artificial bait or lure are counted as one hook. **These hook and line limits apply to fishing with poles, floats, bank or limb lines, or others.**

Size Limits

NORTHERN PIKE—24 inches only in that part of Nebraska east of U.S. Highway 281. This excludes the waters of the Missouri River and its oxbows.

BASS (largemouth, smallmouth, spotted bass)—12 inches statewide, except the waters of the Missouri River and its oxbows.

ALL OTHER SPECIES—None.

Archery

Game fish may be taken by bow and arrow from April 1 through November 30, from sunrise to sunset. Nongame fish may be taken from sunrise to sunset the year-round. Closed waters include all put-and-take lakes stocked by the Game Commission; Two Rivers, Louisville, Kearney County, and Fremont state recreation areas; Mormon Island and Windmill state wayside areas, and trout streams (see Special Areas section).

The entire state is open, except that state parks, state historical parks, state recreation areas, state special-use areas, and state wayside areas are closed to the taking of game fish from April 1 through June 30.

Only long bows, drawn by hand, are legal. Arrows must be attached by a line to the bow and must have only one barbed point; those with more than one point are prohibited.

Snagging

Snagging of game and nongame fish is permitted only in the Missouri River from October 1 through April 30. All other waters of the state are closed to snagging at all times.

Any paddlefish caught must be counted in the bag, and may not be cut up except for field dressing (removal of intestines, head, and tail) until arrival at the angler's residence or commercial preservation facility.

Mussels

Mussels may be taken year-round by hand, hand net, or hook and line. There is no limit.

Spearfishing

All individuals spearfishing in any manner must have a valid Nebraska resident or nonresident fishing permit. Only hand spears are legal and only nongame fish may be taken when spearing on the surface. Any spearing device must be barbed. Area restrictions that apply to archery also apply to surface hand spearing.

Underwater-Powered Spearfishing

Lawful spear guns include hand spears, rubberband-powered spear guns, and spring-loaded spear guns. All spears used on powered spear guns must be attached to a lanyard with a maximum length of 20 feet.

Underwater-powered spearfishing is not permitted within 100 yards of any designated swimming or water ski jump area, boat dock, boat ramp, or spillway.

Upon written approval of the director of the Game Commission, specified game species and specified waters may be opened for a limited time to underwater-powered spearfishing for special events and for fish management purposes.

Seasons

Game fish—August 1 through December 31 in waters listed below. Bag and possession limits are the same as for hook and line.

Nongame fish—Open year-round in waters listed below. There are no size, bag or possession limits.

OPEN WATERS

1. Privately-owned lakes with permission of the lake owner.
2. Lake McConaughy, Keith County
3. Lake Ogallala, Keith County
4. Lake Minatare, Scotts Bluff County
5. Box Butte Reservoir, Dawes County
6. Lewis and Clark Lake
7. Harlan County Reservoir
8. Enders Reservoir, Chase County
9. Swanson Reservoir, Hitchcock County
10. Hugh Butler (Red Willow) Reservoir, Frontier County
11. Harry Strunk (Medicine Creek) Reservoir, Frontier County
12. Sutherland Reservoir, Lincoln County
13. Maloney Reservoir, Lincoln County
14. Jeffrey Canyon Reservoir, Lincoln County
15. Johnson Reservoir, Gosper and Dawson counties

Divers' Flag

The International Divers' Flag must be displayed on the water on a float or buoy when diving or underwater-powered spearfishing. A diver and underwater spearfisherman must remain within 150 feet of his flag.

The flag must be at least 12 inches square, with a red background and white diagonal stripe that is one-fifth the width of the flag. The white stripe must run from the

top of the hoist to the bottom of the flag. It is unlawful to display this flag when diving or spearfishing is not in progress.

Bullfrogs

Bullfrog season runs from July 15 through October 31.

Bag and possession limit is 8 bullfrogs per person. They may be taken only on a fishing permit by hand, hand net, gig, hook-and-line, or bow-and-arrow. Artificial light may be used when taking bullfrogs.

Snapping Turtles

Snapping turtles may be taken year-round, and limits are 10 in the daily bag and in possession. They may be taken only by hand, hand net, hook and line, bow and arrow, or gaff hook.

Boundary Waters

LEWIS AND CLARK LAKE (Gavins Point Dam)—Anglers must carry a valid fishing license issued by the state from which he enters the lake or to which he returns. It is unlawful for any person to use more than two lines with more than two hooks on each line in the waters of this lake. The Lewis and Clark Lake includes all water area from the Gavins Point Dam upstream to the mouth of Bazile Creek in Knox County.

MISSOURI RIVER (South Dakota)—Any person taking fish from that part of the Missouri River which constitutes the legal boundary between South Dakota and Nebraska must carry a valid fishing license issued by the state from which he enters or to which he returns. Fishermen shall conform to the regulations of the state in which they are licensed.

MISSOURI RIVER (Iowa)—Anglers holding a valid sport fishing permit from either Nebraska or Iowa may fish in the waters of the Missouri River lying between the two states. "Waters of the Missouri River" are defined to include all oxbows, sloughs, chutes, and backwaters that draw water from the Missouri River proper. Oxbows, chutes, and backwaters separated from the Missouri River by land are included only if the state boundary line passes through some part of such waters. Fishing may be from boats or from the bank. **All fishermen shall conform with the regulations of the state in which they are fishing, unless the regulations of the licensee's state are more restrictive. Then, the licensee must conform with the more restrictive regulations.** Anglers may transport fish taken from the waters of the Missouri River through

the neighboring state, provided they return to their home state by the most direct route.

DE SOTO REFUGE LAKE—Fishing is permitted as posted from January 1 through February 28 and from April 15 through September 30 during daylight hours unless otherwise posted. A sports fishing license from either Nebraska or Iowa is required when fishing in this lake. All fishermen shall conform with the regulations of the state in which they are licensed. Archery fishing and surface hand spearing are permitted as posted. The use of trot and float lines is unlawful.

MISSOURI RIVER (Missouri)—Anglers holding a valid sport fishing permit from either Nebraska or Missouri may fish with hook and line, including personally attended jugs or floats, on the flowing portion of the Missouri River lying within the boundary of Nebraska or Missouri. In no case may the angler licensed in only one state fish in the tributaries, bayous, or backwaters of the Missouri River in the other state. Fishermen may not fish from nor attach any device or equipment to land under the jurisdiction of the state in which they are not licensed. Creel limits and methods of the state licensing the sport fisherman shall apply.

Pollution Reporting

Anyone observing a fish kill or pollution hazard should report it immediately to any Game and Parks Commission office or to Wes Sheets, Game and Parks Commission pollution specialist, at the headquarters office in Lincoln (402) 464-0641. Reports may also be made to conservation officers. District office locations and telephone numbers, as well as investigating authorities, include: District I, Alliance, (308) 762-5605, Jack Peterson; District II, Bassett, (402) 684-3511, J. Larry Hutchinson; District III, Norfolk, (402) 371-4950, Lee Rupp; District IV, North Platte, (308) 532-6225, Monte Madsen; and District V, (402) 464-0641, Jim Johnson. Observers could also refer the data to the Water Quality Surveillance and Enforcement Section of the Department of Environmental Control (402) 471-2186.

Oil and hazardous material spills should be reported to (402) 477-3951.

Master Angler Award

If you catch a big fish, be sure to have it checked and weighed. It may qualify for a Nebraska Master Angler Award. Contact any permit vendor, Game and Parks Commission office, or conservation officer for details and application forms.

It Is Unlawful

- ...to borrow or use the permit of another or lend your permit to another.
- ...to use glass floats on float lines.
- ...to leave fish or any part thereof on the banks of any stream, lake, or other body of water.
- ...to fish on any private land without permission of the owner.
- ...to use crossbow or similar device.
- ...to seine game fish of any size.
- ...to dig or seine for bait or for any other purpose in state-owned or controlled areas.
- ...to leave minnows in a minnow trap for more than 24 hours.
- ...to use float lines, except on rivers and streams when personally attended. Name and address must be attached.
- ...to dive without properly displaying the International Divers' Flag.
- ...to possess grass carp (*Ctenopharyngodonidella*), also known as white amur, alive or dead.

Fish Stocking

It is unlawful to release any non-native fish, reptile, or amphibian in any waters of the state or to release any fish in any public waters in the state except those taken therefrom without written authorization from the Game and Parks Commission.

Float Lines

Float lines may be used only on streams and rivers and must be personally attended. The name and address of the owner shall be on or attached to all floats when in use. The use of glass floats on float lines is unlawful. Bag and possession limits are the same as for hook and line fishing (see Page 4).

Scents

Anise oil and other scents that do not stun, kill, or harm fish are permitted.

Fish Nets and Traps

The possession or use of any nets, traps, or other devices except the following is unlawful:

1. Minnow seines of one-fourth inch non-metallic square mesh only, and not over 20 feet long and 4 feet deep.

2. Minnow dip nets of one-fourth inch non-metallic square mesh.
3. Minnow and bait traps of one-fourth inch square mesh material with a length of 24 inches or less, a diameter 16 inches or less, and a throat 1½ inches or less in diameter. All minnow traps shall be raised and the minnows removed at least every 24 hours.
4. Landing nets, made of non-metallic mesh, used only for landing fish caught on hook and line.

Boating

For complete information about boat registration, open waters, closed waters, restricted waters, safety regulations, required lighting, navigation rules, and special regulations for regattas, races, and water shows, consult the 1974 Nebraska Boating Guide, available from most boat dealers, marinas, and all Game Commission offices.

Special Areas

PLATTSMOUTH WATERFOWL MANAGEMENT AREA

— This area is open to fishing from 7 a.m. to 10 p.m. daily from April 15 through September 15 except when closed by the Commission by posting.

BURCHARD STATE LAKE— It is unlawful to fish in this Pawnee County lake during any waterfowl hunting season, except bank fishing from the face of the dam is permitted during this closed period as posted by signs on the area.

NINE MILE CREEK (Scotts Bluff County)— Upper portions closed to all fishing from October 1 through December 31, as posted.

VALENTINE NATIONAL WILDLIFE REFUGE— Hook-and-line, bow-and-arrow, and hand-spear fishing is permitted year-round during daylight hours unless otherwise posted. Possession or use of live minnows or live fish for bait is prohibited. Possession of any seine or net for capturing minnows is prohibited. No overnight camping is allowed on the refuge. Fishing through the ice is permitted as posted. Electric motors may be used on lakes open to fishing. Internal combustion-type motors are prohibited.

CRESCENT LAKE NATIONAL WILDLIFE REFUGE— Fishing is permitted during daylight hours only in areas designated by posting in Crane or Island lakes from January 1 through December 31. Possession or use of

any live minnows or fish, possession of any seine or net for capturing minnows is prohibited. Electric motors may be used on lakes open to fishing. Internal combustion-type motors are prohibited.

NORTH PLATTE NATIONAL WILDLIFE REFUGE—Lakes in this Scotts Bluff County refuge are open to fishing from January 15 through September 30 or as posted.

CLEAR LAKE (Brown County) and OVERTON LAKE (Holt County)—The possession or use of live or dead minnows and the possession of any fish not taken from these waters is unlawful.

SPECIAL AREAS—Special regulations are in effect on the following state-owned areas:

1. **TWO RIVERS STATE RECREATION AREA (Douglas County)**—The Platte River bordering this area and all lakes (except Nos. 3, 4, and 5) are closed to fishing during the waterfowl hunting seasons. Archery fishing, snagging, spearing, gigging, snaring, and baiting are prohibited in all lakes. Live or dead minnows or fish of any species are prohibited as bait.
2. **FEE FISHING AREAS:**
 - (a) Lake No. 5 within the Two Rivers State Recreation area, Douglas County.
 - (b) Soldier Creek, as posted, within the Fort Robinson State Park Complex, Sioux County.

The above areas are designated as special trout fishing areas, subject to the following regulations:

1. A daily trout fishing tag (fee \$2) is required.
2. Daily bag and possession limit is five (5) trout.
3. Open season—April 1 through October 31, between sunrise and one-half hour after sunset, or as prescribed and posted by the Commission.
4. Each fisherman shall wear the trout tag on his person in a conspicuous place while fishing.
5. Only one pole with line attached, and not more than two hooks is permitted per person.
6. Bow-and-arrow fishing, snagging, spearing, gigging, snaring and baiting are prohibited.
7. Minnows or fish, alive or dead, are prohibited as bait.
8. Each fisherman shall keep his fish on a separate stringer or container under his control.
9. Each fish caught shall be counted in the bag limit and no fish caught shall be returned to the water.
10. Each fisherman shall report his catch at the Administration Building and return his tag each day when finished.

11. Each fisherman's resident or nonresident fishing permit will be held until his tag and catch report are returned.

TROUT WATERS—It is unlawful to take or attempt to take game or nongame fish by bow and arrow or spearing and to take or attempt to take by seine or trap any bait or minnows in any of the following trout streams: streams:

ANTELOPE COUNTY, Verdigre Creek and all tributaries. BROWN COUNTY, Long Pine Creek, Plum Creek and all tributaries; Fairfield Creek. BOX BUTTE COUNTY, Niobrara River. CHERRY COUNTY, Middle Loup River and all tributaries, North Loup River and all tributaries, Schlagel Creek, Fairfield Creek, Snake River and all tributaries, Plum Creek and all tributaries. DAWES COUNTY, Chadron Creek, Big Bordeaux Creek, Little Bordeaux Creek, White River above Crawford, Niobrara River from Box Butte Reservoir west to the Wyoming line and all tributaries, Dead Horse Creek, and White Clay Creek. GARDEN COUNTY, Blue Creek. HOLT COUNTY, Steel Creek and North, Middle, and South branches of Verdigre Creek. HOOKER COUNTY, Dismal River and all tributaries. KEITH COUNTY, Otter Creek, White Tail Creek, and Lonergan Creek and all tributaries. KIMBALL COUNTY, Lodgepole Creek and all tributaries west of the West Kimball Reservoir. KNOX COUNTY, North, Middle, and South Verdigre and all tributaries above the town of Verdigre, and Steel Creek. LOUP COUNTY, Gracie Creek. MORRILL COUNTY, all streams and tributaries except the channel or channels of the North Platte River. ROCK COUNTY, Long Pine Creek. SIOUX COUNTY, Sheep Creek Drain, Dry Sheep Creek Drain, Dry Spotted Tail Drain, Spotted Tail Drain, Niobrara River and all tributaries, Monroe Creek, Sowbelly Creek, Hat Creek, and Squaw Creek. SCOTTS BLUFF COUNTY, all streams and tributaries except the channel or channels of the North Platte River. SHERIDAN COUNTY, Snake River, Larrabee Creek, White Clay Creek, Pine Creek, Deer Creek, and Little Bordeaux Creek.

It is unlawful to possess a net or seine of any type on trout spawning streams in Sioux, Scotts Bluff, Morrill, Garden, and Keith counties that are tributary to the North Platte River and Lake McConaughy, including: Pumpkin, Red Willow, Wildhorse, Stuckenhole, Nine Mile, Tub Springs, Winter, Sheep, Dry Sheep, Spotted Tail, Dry Spotted Tail, Otter, Clear, Lonergan creeks.

Bait and Minnows

RESTRICTED SPECIES—It is unlawful to sell, transport, or offer for bait any carp, carpsucker, buffalo, gar, goldfish, quillback, or bowfin, and it is unlawful to use any of these fish for bait except in the water from which they are taken.

EXPORTING—No minnows taken from Nebraska waters may be transported out of the state in any manner, except minnows artificially propagated in man-made impoundments by licensed fish culturists. No more than 100 legally captured minnows or tiger salamanders may be exported by a resident for his personal use in fishing outside the state.

IMPORTING—No person may import live bait minnows or live bait, including crayfish and leopard or striped frogs for commercial purposes, or in excess of 100 minnows for any purpose, without first notifying the Game and Parks Commission at least three days before the shipment is made, giving the time, date, and place the bait will enter Nebraska, so inspection may be made by the state if desired. It is unlawful to import or transport carp, carpsucker, buffalo, goldfish, quillback, gar, salamanders, or bowfin into the state for use as bait. A \$25 resident bait vendor's permit or \$100 nonresident fish dealer's permit is required for a person to import and sell bait or bait minnows.

STATE AREAS—Digging and seining for bait or for any other purpose on all state-owned and controlled areas are prohibited.

GIZZARD SHAD—May be taken for use as bait by legal minnow dip nets in any number in lakes, ponds, reservoirs, and below dams and other artificial obstructions for a distance of 200 yards below such obstructions. Shad may be taken by legal minnow seine landing net, or dip net in any number in streams except those streams closed to the taking of minnows or bait by such methods.

BELOW DAMS—The seining or capturing of minnows for commercial or private purposes for a distance of 200 yards below any dam, check, spillway, or other artificial obstruction is unlawful. This does not restrict individuals from using legal minnow dip nets in these areas to capture minnows for their own personal use.

CLOSED WATERS—See Special Areas section.
